You can open these gates using the square barcode below.
Keep this page with you when leaving or arriving in the Netherlands.

- To open a gate, the first passenger uses the square barcode on the travel pass. The accompanying passenger uses this access ticket to go through the gate.
- This access ticket can only be used on the same date as that shown on the accompanying travel pass.
- This ticket is valid if it is printed clearly legible and without any changes on blank, white A4 paper.
